

Methodist Women  
in Britain

# Annual Review

Spring 2019

## Welcome to the Annual Review of MWiB activities for the year 2017-2018

### Methodist Women in Britain is a charity within the Methodist Church of Great Britain.

#### Its aims are three-fold:

- to bring women together, encouraging one another to know Christ and to make him known, as Methodist women and as part of the wider Church in the world;
- to encourage, resource and train women members of the Methodist Church, equipping them to participate more fully in the wider church and in society;
- to connect women in Britain with women overseas, working in partnership with others to raise awareness of and act upon issues of social justice around the world.

#### It does this by:

- providing fellowship and training events, including residential conferences and one day events;
- producing resources and publications, both printed and online, for worship and spiritual growth, and for advocating and providing information on issues of social concern;
- highlighting areas of need and raising funds or providing other goods to support partners and agencies working to alleviate poverty and injustice.

# Touchstone Partnership

In February 2018, MWiB began a new and exciting partnership with the Touchstone Centre, a 'listening community' providing safe places of hospitality where people can listen to and with each other, based in Bradford, Britain's most Muslim city.

Touchstone was housed in a small terraced house with difficult access and little room for development, before new premises were acquired nearby.

After consultation with the Centre Manager Revd Barbara Glasson, and with advice from the Methodist Church's Governance Officer, the MWiB Forum which met in

September 2017 unanimously agreed that MWiB advance funds to Touchstone, to enable them to complete the refurbishment of their new premises, MacRory's, as a new and more suitable base.

As part of the partnership, MWiB will use Touchstone as our own mailing address, and Touchstone will provide office and meeting space. We will also work together to deliver listening skills and other training for MWiB.

## Heritage and Archives

'Over the Rainbow' was a new exhibition in place at Epworth Old Rectory for the 2018 season,

exploring the 1990 Women's Network campaign in solidarity with the South African Black Sash movement of quiet, non-violent protest against apartheid—a movement actively supported by many South African Methodists.

About 20 banners made by WN groups as part of this campaign, took centre stage in a bright and colourful celebration of this early campaign.

## Ongoing Partnerships

In 2017-2018, we continued to work closely with a number of Methodist and ecumenical organisations: Methodists for World Mission, All We Can (Methodist Relief and Development), Methodist Education, the Joint Public Issues Team, World Day of Prayer, 3-Generate, and Methodist Heritage. MWiB is also represented on a wide variety of other organisations working in sympathy with our aims, including the National Council of Women and the Government Equalities Office.

# Pilgrimage

With pilgrimage on the rise in both sacred and secular contexts MWiB has, for the past few years been arranging pilgrimages for women with an interest in and a desire to explore Christian spirituality. Five groups have walked a pilgrimage route between Durham and Lindisfarne, and another has travelled to Israel/Palestine. In 2019 another group will experience pilgrimage in Rome.

In August 2018, Jill Baker led a small group of pilgrims on a new walking route in Scotland, linking Glasgow—founded by St. Mungo in the early 7th century—with Whithorn, where it is thought that St. Ninian was the first to bring Christianity to Scotland when he landed there around 397AD.

Details of future pilgrimages and pilgrimage leadership training can be found on the MWiB website.

*[Photos by Gillian Womersley]*

In 2017, MWiB resourced a 48-hour training event, held at Cliff College, for sixteen potential pilgrimage leaders, jointly led by Jill Baker (former MWiB President) and Gillian Womersley (former MWiB Finance Officer).

Sessions included a brief history of Christian pilgrimage, a Bible study on the Emmaus story, and insights into John Wesley's understanding of whole-life-pilgrimage and the spirituality of travel.

# World Church Partnerships

## Visit to the Synod of the Church of North India

In September 2017, Vice President Anne Browse and Forum member Revd Deborah Kirk (Plymouth and Exeter District) represented MWiB and the British Methodist Church at the 16th Synod of the Church of North India (CNI) in New Delhi. The Synod opened with a colourful celebration at St Thomas School for Girls, with pupils performing traditional Indian dance as 400 attendees processed into the hall. Most of the business was conducted in English, with some in Hindi, and the theme was taken from Luke 10:2:

“The harvest is plentiful, but the labourers are few”.

Presentations showed how CNI is working with some of the poorest and most marginalised communities in North India, including the Dalit and Tribal people. Links were furthered with the Diocese of Cuttack, where Deborah's District has an ongoing partnership, and Anne and Deborah were also able to follow up on the work with Dalit women and children supported by MWiB over the past three years, hearing about the extensive programme, overseen by the CNI's Synodical Board of Social Services, to which our funds make a valuable contribution.

There was opportunity for sightseeing, including a tour of New Delhi and visits to the Parliament buildings, India Gate and the Gandhi Museum. Each evening closed with cultural entertainment by Indian young people, and Deborah was invited to pray for the young people at the close of Saturday evening's programme.

Anne and Deborah brought the greetings of the British Methodist Church and of MWiB to the Synod, and assured the CNI of the ongoing prayers of MWiB. It was a privilege to see the varied work of CNI, and to be reassured of the ways in which money raised by MWiB is being used to enable and equip people and communities.

## A South Pacific Welcome!

MWiB President Sandra Goodwin on her visit to the South Pacific in June 2018:

“A very full but fascinating itinerary began with the World Federation South Pacific Area Seminar in Fiji. In Fiji, along with Federation World President Alison Judd, I enjoyed the rich tones of singing, many varied cultural presentations, Biblical studies, and above all the friendship offered by the women of the South Pacific.

“Following the Seminar I travelled by bus with my new friend Joanna Wagairatu to the Pacific Theological College in Suva. Here I stayed for a few days with Mission Partner Rev Dr Val Ogden before flying out to Guadalcanal and Munda in the Solomon Islands, the main focus of my overseas visit.

“The purpose of my visit to the Solomons was threefold: to talk and worship with local church representatives and women’s groups, to visit the Helena Goldie Hospital and training centres, and to witness the effects of climate change and changing weather patterns in the South Pacific area. Looking down whilst flying above the Solomons in a small aircraft, the effect of rising sea levels on coastal strips and submerging atolls was very clearly visible.

“I found both in Fiji and the Solomons a strong sense of the people’s affiliation to, and affection for, their roots in the Methodist Church in Britain. Traditional Wesleyan hymns and liturgy, some adapted to fit their own topography, are widely used and treasured. The sound of the rich harmony of their singing, which was generally unaccompanied, is a memory that I will treasure.”

Sandra would love to come and speak to groups about her overseas visits, and about her theme of ‘water’—clean water provision, the effects of climate change, and ‘the water of life’ offered in Christ. See back cover for contact details.

Former MWiB President Anne Browse and Communications Officer Jude Simms joined around 800 people from 32 countries for the European Methodist Festival, held at the Dunenhof Retreat Centre near Cuxhaven, Germany, in May 2018. The theme was *Staunen!*—a German word that roughly translates as *Be Amazed!*

Each morning the daily theme was explored in worship, Bible study, and conversation groups, followed by workshop and seminar sessions on a wide variety of creative and social justice themes. In the afternoons there were outings, organized sports and games, opportunity to browse the Festival Market place—or to simply relax, talk, and to meet old friends and make new ones. A varied programme of evening entertainment—music, singing, drama, etc—was provided by groups of all ages from across Europe.

At a time when our political and economic relationship with Europe is so uncertain, meeting with the wider Methodist church in this way underlines the importance of building and maintaining our Christian and Methodist relationships, in order to build God’s kingdom community in the world.

# World Federation of Methodist and Uniting Church Women

The World Federation (WFM&UCW) is a global fellowship of officially recognised groups of Methodist, United and Uniting Church Women, whose purpose is "to know Christ and to make him known". The aim of the organisation is to support and promote the interests of women in all areas of life and to encourage leadership amongst women in the church. Its logo is the Tree of Life—the name also given to its quarterly magazine. MWiB is the British Unit of the World Federation, and we are part of the Europe: Britain and Ireland Area.

Carolyn Lawrence (*left*) is Vice President of the Britain and Ireland Area of the WFM&UCW, and World Federation Officer for MWiB. She is a member of the Methodist Church's One Mission Forum, and as a member of the World Methodist Council, serves on the Global Relationships Sub-Committee, which oversees the Methodist Church's links with partner churches around the world.

As Helen Kim Scholar, Rachel Allison (*right*) works with the WFM&UCW and MWiB to raise awareness of issues, particularly among the youth and young adult age groups. She works closely with Carolyn, planning the annual World Federation Day, and preparing the Easter Offering Service.

## Equipping, Encouraging & Empowering

In February 2018, WFM&UCW Officer Carolyn Lawrence and Helen Kim Scholar Rachel Allison visited South Africa, staying with Mission Partners Revd Jane and Revd Steve Day in Germiston, near Johannesburg. They attended a 'Magnify' training day—a women's leadership training programme, written by Jane, which aims to enable women to serve God in their own context.

Rachel and Carolyn also had the opportunity to visit the Apartheid museum and learn something of the country's history.

They were invited to the Methodist Church of South Africa's Connexional Office, where Rachel led staff devotions, and visited an exhibition housed there telling the story of Methodism in South Africa.

On a visit to the township of Good Hope with Steve, they also attended a service conducted by Steve, entirely in the Xhosa language.

Carolyn says: "It was a great privilege to visit Steve and Jane and to find out more about their lives and ministry, and to learn about South Africa."

## Joint European Area Seminar, Belfast—June 2018

The WFM&UCW's World Officers met together at the Clayton Hotel in Belfast to share news, prayer and fellowship, before being joined by the European Area Officers and Helen Kim Memorial Scholars for the Weaving Together Programme, together identifying achievements, concerns, and priorities for action.

For the main seminar, 170 women from 20 European countries arrived and were warmly greeted by three of the Helen Kim Scholars before enjoying the opening banquet, with formal welcome from the newly appointed Mayor of Belfast, and singing from the 'Methody' Methodist College Girls' Choir.

Keynote sessions, workshops, Bible study, and worship were based around the theme, 'Chosen People, Called to Proclaim'—through worship, relationships, and social action. There was opportunity to explore the city on foot or by bus, or visit the Titanic Centre. On the Sunday afternoon, some delegates joined the 100 Years of Suffrage Commemoration parade.

WFM&UCW President Alison Judd said: "Amongst the upheaval caused by Brexit, it is encouraging to discover that Methodist women can worship, pray, celebrate, learn and share together so powerfully."

## Seoul Reflections

In July 2018, Carolyn Lawrence attended the World Methodist Council (WMC) meeting in Seoul, South Korea, to hear what God is doing in and through the Methodist Church, to learn about the particular issues facing the church in South Korea, and to learn about concerns for prayer. The WMC has 425 members, representing 80 million Methodists in over 130 countries.

Carolyn joined with 5,000 Christians for an early morning prayer meeting, the culmination of 40 days of prayer for the re-establishment of the church in North Korea, and an open air peace service to pray for the breaking down of the barriers that divide their country and, in many cases, their families.

Carolyn joined some of the Korean women, and other leaders from the UK and USA. For traditional Korean meal—just one example of the generous hospitality of the Korean Christians.

# Oceans of Justice, Rivers of Fairness

Swanwick Residential, April 2018

MWiB holds an annual residential weekend at The Hayes Conference Centre in Swanwick, Derbyshire, with around 250 women meeting together for worship, fellowship, Bible study, and much more.

Rach Collins shares her thoughts on the 2017 conference, led by keynote speaker Rachel Lampard of the Joint Public Issues Team (pictured below):

It's always a joy to spend a weekend with women of all ages at the MWiB residential, and 2018 was no different. With Rachel Lampard as keynote speaker on the theme of *Oceans of Justice, Rivers of Fairness*, we knew it would be a good event.

Rachel shared stories of her faith and statistics from her work, and gave us each a napkin to decorate with messages to our MPs about food poverty in the UK—so for much of the weekend you could find women sewing away while they listened, chatted—even queued for dinner! (Pictured below and on the front cover.)

Saturday night included a drama on the life of Mary, the mother of Jesus performed by Su Hallcroft (right) and Carolyn Lawrence led

the Sunday morning Bible Study.

Morning prayers were led by women from across the Connexion, or there were prayer stations including a powerful image of plastic in the ocean, or the option of 'pyjama prayers' in your room. The weekend closed in communion led by our chaplains.

The weekend included the usuals—stalls and circle dancing, food and prayer, and a wide choice of workshops on numerous topics, including:

- Music
- Mental health
- Making prayer labyrinths
- Creative Bible study using clothes
- Pregnancy Twinning
- Human trafficking
- Conversations Welcome
- The work of Touchstone

In addition there were speakers from a range of charities including:

- All We Can
- Christian Aid
- CRY
- CHICKS

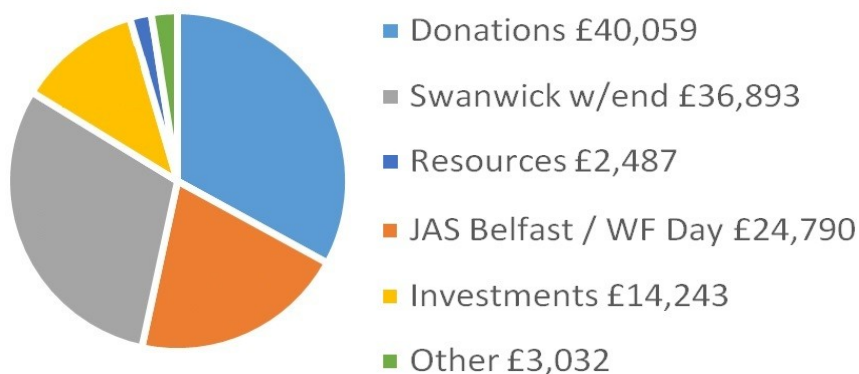

- - -

# Story and Song

## Methodist Conference Fringe Event

The Fringe Event in Nottingham in June 2018 focused on the winners of the third and final annual writing competition, the launch of our new work on hearing impairment, and reflections from the outgoing President.

### MWiB Writing Competition

Inspired by the life, writing and work of Revd Julie Hulme, the competition invites submissions of meditative or reflective writing of no more than 500 words, in prose or poetry, on a given theme. The theme for the 2018 writing competition was 'At the Heart...', and the prize money was divided between two entrants whose pieces were deemed equally worth of first prize.

Margaret Doughty's entry, 'A Prayer Pilgrimage... with a difference', came from her experience of knitting prayer shawls:

Bless the one who will receive it, Lord.  
Envelop them with peace and tranquillity.  
May they know that this  
humble gift is prayerfully offered,  
and that,  
at the heart...  
is love.

*(© Margaret Doughty 2018; full piece on MWiB website)*

Margaret Chan drew on her enjoyment of spinning and weaving for her piece, 'God as Weaver':

My life, torn at the heart,  
Seemed quite beyond repair...  
But, gathering up the threads,  
You patiently wove them  
Into a shining web,  
Newly made, yet familiar.

*(© Margaret Chan, 2018; full piece on MWiB website)*

Winners were announced and prizes were presented by Julie's husband, Revd David Hulme, and the winning entries read out by Revd Jenny Pathmarajah. An archive of winning, runner-up and commended entries from all three competitions will be available on the MWiB website in June 2019.

### Can you hear me?

Many people in our churches and groups struggle to participate fully because of hearing difficulties, and MWiB is currently working to raise awareness of the issues.

We were joined at the Fringe event by the Signs for Worship choirs from Tamworth and Walsall (pictured below). Leader Colin Townsend spoke about their work and ministry, and the choir taught the congregation the signs to some well-known worship songs before leading worship in a very inclusive and moving way.

Anne Browse rounded off the evening by sharing stories of partnership and inclusion from her four years as MWiB President and Vice President.

### Revd Julie Hulme

Julie was a Methodist minister and a prolific writer. She was the last President of Women's Network in 2010-2011, becoming the first Vice-President of MWiB in 2011-2012. She died of cancer in 2014, leaving behind a rich legacy in the form of her writings, which can be accessed on the website:
